MILLENNIUM MEMO

FEBRUARY 2022

A couple months ago, one of our Parks suffered a power outage. Service should have been restored in a few hours, but it ended up taking almost 3 days to be fully back online. It's a long story.

Imagine if that happened in Palomar. Do you have a plan to deal with an outage that lasts 3 days? We don't own Palomar's gas or electric systems, but that doesn't make us immune. Consider this recent headline from the San Diego Union-Tribune:

"SDG & E Warns It May Shut Off Power to Some Areas on Thanksgiving and Friday."

Thousands lost power—over Thanksgiving weekend, no less--not because of an earthquake or wildfire or equipment failure, but because of "high winds." This is the New Normal: utilities shutting off power to prevent being blamed for a wildfire.

Most articles on emergency preparedness focus on being ready for "the big one," but I'm suggesting that we think about something smaller but more likely: a localized outage that lasts a couple days.

A few questions readily come to mind: do you have battery backup for critical medical equipment? Portable power bank charger for your cell phone? A few ice chests to keep critical medicines (or even food) refrigerated? Those are just a few quick ideas. You'll want to consider your own specific needs to prepare for a 2-3 day outage.

The serving utilities likely won't compensate you for spoiled food, damaged equipment, or ruined medicines. It's on each of us to make sure that doesn't happen.

If you have other tips, you'd like me to share, send them to me and I'll include them in a later Memo. In the meantime, Be Prepared!

First Kudos of 2022

From Debbie's Monthly Report:

Around Dec. 1, Melissa Szilagyi found out that no one was doing the Food Collection, so she and Garry Larson sprinted into action. They contacted the San Marcos Food Bank, picked up the barrels and over 800 lbs. of food was delivered.

THAT deserves a Kudo. Thanks so much, Melissa & Garry!

Happy Valentine?

My wife said I'd better have something planned for Valentine's Day. I was pleased to inform her that I had it covered: "Yes, I was thinking of taking the Christmas decorations down."

Have a Happy Valentine's Day and a great 2022!

REMINDERS

- **President's Day Holiday and the PEW Park Office will be closed on Monday February 21st.**
- **All we need turned into the office at rent time, is your check.**
- **Trash pick-up will remain on schedule through the President's Day Holiday.**
- **Please don't return the top portion of your rent statement with your payment.**
- **Be mindful and observe the Park's 15 MPH Speed Limit**
- **Please do not turn in your rent payment in an envelope.**
- **One more thing! Don't forget to pick up after your dog.**

Thank You From the Crew

The office and maintenance staff of Palomar West would like to say "Thank You" to all of the very generous residents for their thoughtful Holiday Gift. You are truly the people that make this community such a very special place to be a part of. We would like to take this time to wish everyone a very happy and healthy 2022. It's got to become easier and better than 2021 ended.

Bike Riders Beware

We have had some residents call with concerns about bike riders racing through the Park. I know that residents here at Palomar West are always careful about speeding whether it is on a bike or in a car. I'm hoping these speeders that are being reported are visitors and are not aware of how dangerous their actions are. But we as residents need to be aware of our surroundings when we walk to our mailboxes or pull out of our driveways. We all need to watch out for ourselves.

\$10 Annual Charge

Remember last year one of the new laws that went into effect was that the Park was responsible to send a certain amount (per space) into a fund established for assistance in legal fees. Of the amount the Park has to pay, they are able to pass \$10 through to the residents. Well, it is that time of year again. You will notice that fee on your February rent statement. Don't panic, it only happens once a year.

Happy Valentine's Day

Letter from the PEWRA Board President

Hello Neighbors and Friends. I hope you are staying safe and healthy as we navigate another COVID surge.

Renovations are underway in the Pavilion. That room most likely will not be available until Monday February 7th. If you were planning to use the room before then, please make other arrangements. If the room becomes available before that date, we will let you know. Thank you.

If it is safe to do so, we will have our PEWRA Board meeting Tuesday February 8th, at 6:30 in the Pavilion. We will confirm with you closer to that date.

The Pickleball Court conversion project should be started. Several trees needed to be removed first to allow for changes to the fencing.

Cross your fingers our "Cooking with Katie" classes can begin February 15th. I am excited to see what Katie cooks up for us.

PEWRA 2022 dues are due, and envelopes should be distributed. Dues are \$5 per home, and instructions how to pay are on the envelope. These monies contribute to activities in the park and give you the opportunity to vote if a park vote arises.

We are still waiting to hear how EDCO's Green Waste program will be rolled out in our park and will share details with you as soon as we have more information.

It is time to start thinking about volunteering to serve on the PEWRA Board. Two Board members will be retiring from the Board in June, and we are hopeful community members will step up to serve and make a difference in our park. Please reach out to any current Board member with questions.

And always, if you are alone or need help, please contact the Park Office or any Board Member. If you have a neighbor who is alone, please call them to say hello and check on them. Stay safe and be well.

Thank you and take care of one another. Lu Ann

Movie Night

The Social Connection committee is pleased to announce the inaugural Movie Night. These will take place every 3rd Tuesday initially. To start the event season off, our resident audio video guy and movie and music fanatic, Simon Spears, has chosen “Guess Who’s coming To Dinner,” in memory of the late Sidney Poitier, who died in January. The movie also celebrates the great love affair between Katharine Hepburn and Spencer Tracy, lasting 26 years until Spencer’s death.

Movie Nights will feature classic movies and contemporary ones depending on the interests of those who want to attend. A brief narration and introduction to each movie will be given and several intermissions planned to allow for discussion, a ‘stretch-of-legs’, and consumption of the snacks and beverages attendees have brought along.

Concert Nights are also planned featuring great live concerts from bands like Fleetwood Mac and Roy Orbison.

The graphic is a promotional poster for a movie night event. It features a blue background with white and red text. On the left, there is a movie poster for "Guess Who's Coming to Dinner" with Spencer Tracy, Sidney Poitier, and Katharine Hepburn. The text on the poster includes "Spencer Tracy • Sidney Poitier • Katharine Hepburn", "guess who's coming to dinner", "Produced and Directed by Stanley Kramer", and a PG rating. On the right, there is a red and white marquee sign that reads "MOVIE NIGHT", "Guess Who's Coming To Dinner", and "Feb 15, 2022 - 6.00 PM - \$Free". The background of the right side shows a theater with red seats and a stage.

CONTACT: CHUCK THOMAS, Palomar Estates West

PHONE: 707-799-6555

HOPE TO HEAR FROM YOU SOON!!!

The Garden Club

Hope your New Year is going well, and your families are safe and healthy!

Our meeting was held on January 3. Our next meeting date is to be determined - due to the work being done in the Pavilion.

Robin filled us in about field trips - - and we decided on going to Waterwise Botanicals, in Bonsall, on Friday, February 5th. Meet at the clubhouse at 10 a.m. The Nursery is located away from stresses of daily life and has a rustic elegance with various gardens and also ponds.

In the near future we plan on visiting the San Diego Botanical Gardens - - an urban oasis - - 37 acres in Encinitas. You can see bamboo groves, desert gardens and tropical rain forests! A date will be announced.

Some other places we are thinking of are the Japanese Gardens in Balboa Park, Casa Romantica in San Clemente, and also the Cal Pacific Orchid Farm in Encinitas, hosting 100s of blooming orchid plants from all over the world!

Ann and Merlin will present ideas to the Board about enhancing the area in front of the clubhouse fountain - - and the possibility of a Community Garden.

One of our interesting ideas to place before the board is whether or not we (the Garden Club members) could consider harvesting fruit trees in our park. Some trees are full of fruit (not picked) and others have fruits which have already fallen to the ground (lemons, grapefruits, avocados, oranges). The harvest can be shared with the homeowner, with others, or even with local food banks. Firstly, approval is needed from the board, the office, as well as the homeowner. Many residents do not have gardeners and they themselves are elderly and can't get out there to do it. What do you think?

Lastly, we are considering having a Garden Club Historian. Someone who can keep records of our activities and projects! Any volunteers ?

We will let you know when the next meeting is. Please plan on coming and sharing your ideas ! It's a lot of fun!

New, Smaller, Friendly Airport Plan Passed

Dear Friends and Neighbors –

Last Wednesday, Dec 8, 2021, was a historic day for the residents of San Diego County. The San Diego County Board of Supervisors (BOS) approved a Palomar Airport plan to keep Palomar as a SMALLER airport and denied the requested expansion.

In 2018, the old termed-out BOS voted to expand Palomar Airport to be a D-III rated airport (huge jets) and build a new runway 800 feet longer than the current one, 4 feet shorter than John Wayne. C4FA sued and won. The current BOS rescinded the old plan, and last Wednesday passed a new one that:

- Retains Palomar Airport's rating at its current B-II level (much smaller planes)
- Adds EMAS (think "runaway truck stop" for airplanes) on the west end of the existing runway
- Permits a 200-foot runway extension on the east end of the EXISTING runway for safety.
- Gives the County staff permission to ask the BOS to consider D-III airport modifications in the future.

C4FA is happy the airport is going to remain a B-II airport. We're concerned about the 200 ft runway extension because longer runways mean larger planes and the County will be back to claiming safety issues to justify yet an even longer runway. It's a Catch-22 situation. There's still work to do to ensure that County staff follow the directions of the Board, and that the City of Carlsbad steps up to take the leadership role awarded to them by the Courts as part of C4FA's legal victory.

In addition, thanks to Supervisor Terra Lawson Remer, staff have been instructed to petition the FAA to change the VOLUNTARY quiet hours to MANDATORY quiet hours. We'll be honest - it's a long shot, but at least, FINALLY, someone is listening. If you are interested - Here's the link to the meeting. The Airport discussion (Agenda Item 6) starts at hour 0:29 (29 min mark). The voting clarification runs from about 3:25 - 3:35 hour mark. The entire discussion is about 3 hours long.

https://sdcountry.granicus.com/MediaPlayer.php?view_id=9&clip_id=3137

None of this would have happened without your support and C4FA's legal victory. Thank you to the over 2200 residents that signed our petition, which was presented to the BOS on Wednesday. Thank you to the over 130 of you that made E-Comments opposing the expansion (which was also noted at the meeting). And finally, thank you to the all people who showed up in person to speak or called into the meeting to oppose an airport expansion at Palomar. You all helped make this happen! But for now, we rest, celebrate the victory, and celebrate you, our supporters.

Thank you. Your Neighbors @ C4FA.org
