Monday's meeting is devoted to a HOLIDAY DECORATION

WORKSHOP!! You can create living decorations using succulents. This is going to be a lot of fun!!!

The Club will provide– Spanish moss, glue guns, glue, floral wire, and a limited supply of succulents.

What you need to bring – one small 4" to 6" form. For example, a gourd, a Styrofoam ball/cone, a wire form, a used pie tin, or a small bowl or basket. To decorate your form, bring your favorite succulent clippings, holiday ribbon, dried berries, small nuts, small holiday decorations, and of course, your creativity. Of course, our committee members will be there to assist you if you need help.

New ideas –

Merlin will look into the possibility of placing some potted plants around the new poolside gazebo.

Field Trips – none currently scheduled. However you may want to consider the following – **Alta Vista Botanical Garden** in Vista, **Wiedner's** for Poinsettias, **Agri-service** for compost/mulch, and **Mountain Meadows Mushroom farm** for free mulch.

Project Update– Community Garden. On hold until a new fence is constructed along Viewpoint Drive between PEW and PEE. Could be as long as 6 to 9 months or longer.

Home garden tours – no tours until possibly in January. If you're interested in having the club tour your garden, please sign the sign-up sheet which will be passed around on Monday.

Door prize drawing – Bring a plant for the plant exchange!

Refreshments – please consider signing up to bring refreshments Jan. through June
