

## **PEW Garden Club minutes**

**Monday 9/14/26**

**Next meeting - Monday October 5th, 2:00 P.M.**

**Treasurer - Cindy Palermo**

**Publicity – Merlin**

**PEW website – Lynn Thomas**

**Secretary - Lynne Widdison/ Roger Frichette**

**Programs and Field Trips – Shevaun Teagarden**

Herb Field was our guest speaker. Topic, BUGS. As usual, Herb is a very knowledgeable and entertaining speaker. 90% of all organisms are insects, with 10 Quadrillion being Ants! What more do you need to know?

October 5th is our next meeting.

The speaker will be San Diego Vector Control. Subject: Rats, mice, mosquitoes etc. Bring your questions, hope for answers

We will pass around a sign-up sheet for the next year's treats. Thanks to all who participate! Susie Butler is scheduled for October's treats. A big thank you to her!

In October we will also have a sign-up sheet for people to help with the plant sale in November. There will be 2 people for each time slot.

This is one way we raise money for our club activities.

Thursday, September 24, is the date for the Rogers Garden field trip. It's their annual Halloween extravaganza and should be a fun day for all. We will meet in front of the clubhouse at 9:00 and car pool there.

Welcoming the Holidays at PEW!

Our November 2, 2026 meeting will be our Holiday workshop event, featuring decorating succulent pumpkins and making botanical soaps. There will be a sign-up sheet for this as well.

December 7th is the date for the 3rd Annual Tea Party! Break out your favorite tea cup and your fancy tea party hat! We will see if we can get "Youth in Action" to help with the serving/clean up.

Pat Campbell in space 200 has Plumeria seeds for anyone interested. Phone # 442-655-7440

Merlin has a banana tree looking for a new home.

Thank you Alice for taking minutes while Lynne is out of town.
