MILLENNIUM MEMO

OCTOBER 2022

Here's a fun fact for you: the average sale price of all homes sold in Palomar West over the past 12 months is...\$367,716! Not surprising, really. That number reflects the quality of your Community and the protections of non-profit ownership.

So, your home has gotten more valuable, but has your homeowner insurance kept pace? Have you checked with your agent lately to see if you are as protected as you think you are?

Not only are home values higher, but these days it can take months to get a new home delivered from the factory. In one case, we were told there was a 15-month backlog on orders. If you had a total loss, are you covered for all the costs you'd incur while waiting for your new home?

It's at least worth asking the question, isn't it?

In Other News

- Rusty & Cathy Bassett have earned yet another Kudo, this time for providing a hot dog lunch to thank the Maintenance Crew for their great work. That has to be worth a Kudo, doesn't it? Thanks again, Rusty & Cathy!
- A Kudo also goes to Jorge. We just had our first Health Department inspection since he took over maintaining the Pool & Spa, and we passed! Congratulations, Jorge.
- We're sorry about the SDG &E power outage last month. We can expect more of those during "Excessive Heat Warnings." Just a reminder to be ready for such things, especially if you have medical equipment or refrigerated medicines.
- Last month I reported that Stacey Price, the head of SPARC, got married on Aug. 6. Since then, our newlywed has sponsored a Smartphone Training (Sept. 26), Financial Planning Class (Sept. 27) and is planning a Medicare Seminar (Oct. 18).

She hasn't forgotten about you!

Speaking of Stacey...she told me that she called the photographer, but her wedding photos weren't ready yet. "That's OK," she said. "Someday my prints will come."

Seasonal Trivia

Q. What do you get if you drop a pumpkin?

A. Squash.

Make sure your home is protected...and be careful with your pumpkin.

FROM THE PEW BOARD

Hello Neighbors:

As I write this, I am melting—what a hot few weeks we have had! I'm hoping things have cooled down a bit by the time you are reading my letter. I know; too hot, too cold, too this, too that... at least we can all be thankful that we live in such a wonderful community and in such a beautiful part of the world.

The September board meeting was very well attended. Besides a few popular topics on the agenda, I suspect it had a lot to do with the heat and the air-conditioned room. Whatever the reason, the board was very happy to see you there.

New lounge chairs have been ordered for around the pool, as well as a gazebo and furniture to go inside. I know many, if not most, of our current chairs don't have much life left in them so we're hopeful they last until the new ones arrive. The gazebo will be put together as soon as Felipe and crew have some time, most likely at the end of September. For those who have asked why we are getting a gazebo, it was requested when the previous board asked for wish-list suggestions. We think it is going to be a very nice addition and hope everyone agrees once it is in place.

Speaking of the wish list, it was also requested that the jacuzzi area be updated. A committee has been formed to address this, and if it is something you care about and would like to be involved in, please phone or text Dita Kemp at 760-415-5115 to join her committee.

By now the new trash cans will have arrived and service will be starting. We are hoping to get EDCO out again to speak about the green/organic waste that many are confused by. As you are aware, this is a statewide mandate that we are complying with.

October is going to be a busy month around here. The Community Yard Sale is scheduled for Saturday, October 15th from 8:00 am until 2:00 pm. This is a collaborative event with Palomar East, so lots of shopping to be had. If you have any questions or would like to volunteer to help, please phone Lu Ann Foster at 480-203-4330. Also in October is the Newcomer Event, which is scheduled the following weekend, October 22nd. This will be open to everyone, not just new residents, and Cindy Palermo is in charge of the event. More information will be coming but if you have any questions, Cindy can be reached at 760-943-6968.

Simon and I will be in England and will, unfortunately, miss both the yard sale and the newcomer event. We will be back in time for the Halloween Party on October 29th, however. It is sure to be a great party and it's always fun to see everyone dressed up. Speaking of dressing up, the Happy Hour Woodstock potluck party was so much fun, very well attended, and everyone got in the spirit, dressed as hippies.

I just wanted to mention one more thing before closing because it's such a wonderful amenity that many don't know about, and that's the grandparent's closet. It's to the left of the gym, through the second door. There are car seats, strollers, toys, and many more things available to borrow while your little ones are visiting. You just need to sign whatever you take out and then sign it back in when you return it. And if you wish to donate anything that your grandchildren no longer need or play with, you'll be happy knowing that others in the community are enjoying your donation.

The October 4th meeting is a General Board Meeting, and everyone is invited to attend. We will have a guest speaker from One Safe Place. I hope to see you there.

Cheers,

Tricia
